Volume 3 Issue 4

COLLEGE VISION :

To establish ourselves as a leading technological institution.

COLLEGE MISSION:

- To provide professional, constructive and learner centered education
- To make the learners contribute to the development of the nation through academic and industrial excellence.
- To encourage learners involve in innovative researches with ethics.
- To produce competitive and confident graduates to face the ever growing challenges of the labor market

DEPARTMENT VISION:

- To Build professionals & entrepreneurial skills to face the challenges in the socio - economic domains.

DEPARTMENT MISSION:

- To create sustainable environment to meet professional challenges Existing in the civil Engineering field
- To mentor learners to adopt to innovative, Structural and designing excellence in construction field
- To keep the constant touch with industries to update the students with professional requirement during the learning period.
- To Endeavour for excellence in all facets of civil Engineering.

From the Desk of the Head of the Department

The primary focus of the department is to empower our students with overall development. We, the Team – Civil are working with the following objectives:

- To nurture the students with multi-dimensional skill sets. Each student is focused through a Mentor – Mentee Scheme where students are emphasized for good academics, placements and participation in co-curricular activities.
- The faculty members are encouraged to publish research papers in reputed journals, participate in Faculty Development Program and workshop through a well-supported system and students are encouraged to participate in webinars, symposium and conferences.

Staff Achievements

Mrs.B.Sowmiya.,M.E.,(Ph.D)

Did five days Short term course on “Artificial Intelligence Machine Learning and Deep Learning” Organized by National Institute of Technology ,Warangal during 27.01.2023 to 31.01.2023

Consultancy works

For this month Compressive test for Five Cubes and Material strength test (cement) are done by Civil Engineering Department through Nadar Saraswathi Incubation Cell
