## **10. Student Feedback mechanism on Institutional Governance / faculty performance:**

(i) **Suggestion box:** A Suggestion box is available in the college office for receiving suggestions / complaints. Suggestion slips are available near the box for use. It is opened every Monday, or on the first working day of the week and the details of the slips is entered in a register and scrutinized by the Office Superintendent.

The Principal studies the seriousness of the suggestion / complaint and forwards to the concerned HOD for further action. The action taken is reviewed and recorded.

(ii) **Students online feedback** about the human resources, hostels, curricular, extra & Co-curricular activities and processed through Grievances & Redressal cell and Principal take the required action.

(iii) **Course monitoring committee:** To monitor and redress any academic grievances of the class room with the concerned class teacher and chaired by a senior faculty who is not handling any subject to that class.

### **(iv) Performance Appraisal Systems:**

#### **Staff appraisal by the students:**

The Performance of every faculty is appraised by the students in every semester. This helps them to improve their performance in a sustained manner.

The quality of the faculty demands challenging avenues and frontier areas both for the individual and the institution, which will be possible only by greater autonomy to our college.

Meeting of the Principal with the student representatives of each class to know the proper wheeling of academic activities.
